Definitions

Holds BTEC Qualification

Indicates if an applicant has achieved a BTEC qualification (at least one) as identified either on application or through awarding body linkage process. This applies to the following qualifications in the NQF framework: NQF National Awards, NQF National Certificate, NQF National Diploma and NQF Subsidiary Certificates, and the following qualifications in the QCF framework: QCF Subsidiary Diplomas, QCF Diploma, QCF Extended Diploma and QCF 90 Credit Diplomas. Please note: This flag is not updated beyond the end of the application cycle for each applicant. (I.e. if an applicant applied in the 2008 cycle without achieving a BTEC, but went on to obtain this qualification in 2009, the value for the applicant applying in 2008 would remain 'BTEC qualification not identified'.)

Provider Name

The Higher Education Provider (HEP) at the time of the application. This does not take into account any mergers or rebrands, for example if HEP A and HEP B merged to become HEP A in 2012, all applications and acceptances will be reported as HEP A from 2012 onwards. Prior to 2012 all applications and acceptances will be reported as HEP A or HEP B as appropriate.

Cycle Year

The cycle in which the application was processed.

Number of Acceptances

Acceptance is defined as an applicant who has been placed for entry into higher education.
