Deferred Status
Indicates if an application is deferred. Most applications are into the academic year that starts immediately at the end of the cycle, for example into the academic 2013-14 year from the 2013 application cycle. Applications can also be deferred for entry into the following academic year, for example into the 2014-15 academic from the 2013 cycle. These are called deferred applications.

Cycle Year
The cycle in which the application was processed.

Number of Acceptances
Acceptance is defined as an applicant who has been placed for entry into higher education.
