

# End of Cycle 2017 Data Resources

## DR3\_003\_07 Acceptances by deferred and domicile

UCAS

**Statistic:** Number of Acceptances

**Variables:** Deferred Status, Applicant Domicile (High Level), Acceptance Route, Cycle Year

**Coverage:** UK domiciled

### Definitions

#### Acceptance Route

The acceptance route through which the applicant was placed. Please refer to definitions page for full description.

#### Applicant Domicile (High Level)

Applicant's area of permanent residence summarised at a high level, individual UK country. This variable is derived from domicile as declared by the applicant and does not guarantee fee status. See the additional technical notes at [www.ucas.com](http://www.ucas.com) for coverage and trends for Scotland.

#### Deferred Status

Indicates if an application is deferred. Most applications are into the academic year that starts immediately at the end of the cycle, for example into the academic 2013-14 year from the 2013 application cycle. Applications can also be deferred for entry into the following academic year, for example into the 2014-15 academic from the 2013 cycle. These are called deferred applications.

#### Cycle Year

The cycle in which the application was processed.

#### Number of Acceptances

Acceptance is defined as an applicant who has been placed for entry into higher education.
