## UTT1\_025\_02 Applicants by disability and age

**Statistic:** Applicants

**Variables:** Disability, Age (7 Levels), Cycle Year

**Coverage:** All

### Definitions

#### Disability

Indicates whether the applicant has declared a disability on the application by selecting from a list of available options. These options include, but are not restricted to, learning difficulties, serious visual or hearing impairment, physical impairment, mental health conditions and long standing illness.

#### Age (7 Levels)

Derived from date of birth declared by the applicant, age is aligned with the cut off points for school/college cohorts within the different administrations of the UK. For England and Wales ages are defined on the 31 August, for Northern Ireland on the 1 July and for Scotland on the 28 February the following year. Defining ages in this way matches the assignment of children to school cohorts. For applicants outside of the UK the cohort cut off for England and Wales has been used. Age then is grouped in the following bands: '21 and under', '22', '23', '24', '25-29', '30-39', '40 and over'.

#### Cycle Year

The application year in which the application was processed.

#### Applicants

An applicant is defined as a person who has made a valid application in the UCAS Teacher Training scheme.
