# UCAS Teacher Training End of Cycle 2017 Data Resources

## UTT2_023_04 Applications by phase and subject and age

UCAS
Teacher Training

**Statistic:** Apply 1 Applications

**Variables:** Phase, Subject Grouping, Age (7 Levels), Cycle Year

**Coverage:** Applications through Apply 1

## Definitions

Phase
The phase the application was made to. The phase may be 'Primary', 'Secondary', 'Middle' or 'Other'.

Subject Grouping
Classifies courses into 4 subject groupings for primary courses and 20 subject groupings for secondary, middle and other courses. Each course is classified into a single subject grouping, determined using the combination of phase and up to nine subject codes (eg.W1 – Art / Art & Design) assigned by UCAS.

Age (7 Levels)
Derived from date of birth declared by the applicant, age is aligned with the cut off points for school/college cohorts within the different administrations of the UK. For England and Wales ages are defined on the 31 August, for Northern Ireland on the 1 July and for Scotland on the 28 February the following year. Defining ages in this way matches the assignment of children to school cohorts. For applicants outside of the UK the cohort cut off for England and Wales has been used. Age then is grouped in the following bands: '21 and under', '22', '23', '24', '25-29', '30-39', '40 and over'.

Cycle Year
The application year in which the application was processed.

Apply 1 Applications
An application is defined as a choice to a programme through the Apply 1 stage of the UCAS Teacher Training scheme. Each applicant can make up to three choices in Apply 1.

UCAS: UTT2_023_04 Applications by phase and subject and age (Applications through Apply 1)
