

Unexpected exam results? Call 0808 100 8000

Calls are free from landlines and some mobile networks

If your exam results are higher or lower than expected and you need to **explore your options**, call an expert careers adviser at the Exam Results Helpline for free independent advice.

- skills, qualifications and subject choices
- re-sits and re-marks
- sixth form, college, university and other higher education / further education choices
- gap years
- moving away from home
- vocational learning routes including diplomas, apprenticeships and NVQs
- careers, employment and setting up in business
- funding

It was great to have someone properly explain my options – what I could do, the alternatives I hadn't thought about, and the processes I needed to go through."

The Exam Results Helpline opens once a year across the exam results period for students receiving **A level and GCSE results**. Opening hours are as follows:

Opening hours	
Thursday 18 August	8.00 – 20.00
Friday 19 August	9.00 – 18.00
